

REMARKS

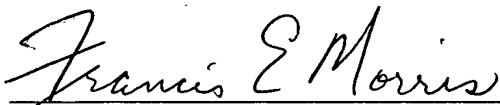

In the Office Action of April 26, 2004, claims 2, 7 and 17 were objected to because they failed to include the preamble, "An input buffer circuit comprising" that was added with the Amendment filed February 23, 2004.

This response adds the omitted preamble. Accordingly, this application is in condition for allowance.

The Commissioner is hereby authorized to charge any required fee(s) to Morgan, Lewis & Bockius LLP Deposit Account No. 50-0310.

Respectfully submitted,

Date: June 25, 2004
